Operation Hope

Dear Member of Sierra Leonean Community in Finland,

Operation Hope is a project set up by SLOF Ebola Campaign Team. The purpose of this charity project is to give back and help people in our country (Sierra Leone) and to help families and friends who have survived from the EVD and lost bread winners.

It is one of our values and mission to support those who are in need in times of sickness and emergency. In order to meet our values and mission, we are providing service to our fellow Sierra Leoneans back home. We rely on the generosity of individuals in the Sierra Leone community and friends in Finland for support. We would like you to donate old clothes and shoes to our Ebola Sierra Leone Charity initiative organized by SLOF ry.

Your generosity will make a difference in Sierra Leone for those people whose houses have been quarantined due to patient(s) showing positive signs of Ebola. One of the preventive actions taken by health authorities is that clothes and other items in quarantined houses are set alight to contain the spread of Ebola virus. Moreover, survivals of Ebola disease as well as Ebola orphans are often shunned in their communities, and therefore will need items such as cloths and shoes to start their new life.

Please also note that we are well off here but many people back home cannot easily afford to replace their clothes and shoes in one day. We ask that you make a commitment to support us by donating clothes and shoes to our logistic centre in Maunula, Pakilantie 11 in Helsinki.

Mr. Franklyn Kamara is the Project Manager and Logistics Coordinator for receiving and shipping items to Sierra Leone for Operation Hope. The date and time for delivering these items is mentioned below. If you have any questions about delivery location or other matters related to project "Operation Hope" logistics, you can reach Frank Kamara on this number: 0408389651. If you have other items that are not cloths or shoes that you would like to be shipped to Freetown, please contact us at info@slof.fi. We will contact you and discuss with you how we can proceed with your request.
